Mr Loh is 53 years old and has undergone dialysis treatment for more than 10 years. He requires epoetin injection for his treatment due to anaemia. ## THOO FONG MING

Madam Thoo is a 62 years old widow. We have been supporting Madam Thoo's dialysis cost for over a year, which used to total RM2,000. With the recent subsidy provided by the MOH, her monthly treatment cost has been reduced to RM130. She recorded an improved hemoglobin level of 10.6 in April 2018.

## LOKE KAH SING

Loke Kah Sing is an OKU with hearing and sight disability. He injured both his legs when he fell from the stairs years ago and he needed to rely on a wheelchair ever since. On 19 May 2018, GHCA did a follow-up visit to four Kampung Orang Asli in Muadzam Shah, Pahang for the Orang Asli Empowerment Project.
